EMAIL STRUCTURE

Subject: Application for Database Analyst Position.

Dear Sir, Sandra Cuadros.

I am writing to formally submit my application for the Database Analyst position at your company. I responsible, punctual, and organized professional, currently certified as a Software Programming Technician with an ITIL Foundation v3 credential. I have experience working in technology and systems departments, with strong knowledge of office tools, software, databases, and IT infrastructure.

You can contact me by WhatsApp, email, or mobile phone.

Sincerely,

Wilber Andrés Lugo Montiel
Software Programming Technician
